JANMITRA

Civic Issue Reporting & Management System

Nagpur Municipal Corporation | 4 Categories | 4 Wards | 4 Departments

Team ResolveIT

UI/UX Design Document

Screens, flows, and design system for all portals

CITIZEN PORTAL	Report Issue | Track Status | Verify Resolution
BACKEND (Django)	REST API | Auth | Business Logic | AI Module
AI VALIDATION	Fake Detection (EXIF+ELA+HuggingFace) | YOLO Relevance Check
DATABASE	PostgreSQL + PostGIS | 4 Categories | 4 Wards | 4 Depts
DEPT. DASHBOARD	PWD | Solid Waste | Water Works | Electrical

Anas Shaikh | Anurag Deshmukh | Om Gadekar | Faizan Rayeen

September 2026 | B.Tech Final Year Project

1. Design System

1.1 Colour Palette

Token	Hex	Used For
Primary Blue	#1A56DB	Primary buttons, active nav, highlights
Dark Blue	#0F3460	Headers, section backgrounds
Success Green	#0E9F6E	Closed/Resolved, green status
Warning Amber	#D97706	In-Progress, Medium priority
Danger Red	#E02424	Critical, Rejected, fake image error
Purple	#7C3AED	Work Done / Pending Verification
Page BG	#F9FAFB	All page backgrounds
Card BG	#FFFFFF	Cards, forms, panels

1.2 Typography

Font: Inter (Google Fonts). Applied globally.

Element	Weight	Size
Page title	Bold 700	24px
Section heading	SemiBold 600	18px
Card heading	SemiBold 600	14px
Body text	Regular 400	14px
Label/caption	Medium 500	12px
Badge text	Bold 600	11px

1.3 Category Visual Indicators

Each of the 4 categories has a consistent icon and colour across all screens:

Category	Icon (emoji)	Accent Colour
Roads & Infrastructure	?	#D97706 (Amber)
Garbage & Waste Management	?	#0E9F6E (Green)
Water & Drainage	?	#1A56DB (Blue)
Street Lighting & Electrical	?	#F59E0B (Yellow)

2. All Four Portals

2.1 Citizen Portal

Mobile-first. Accessible from any phone browser without installation.

Screen A: Login / Register

Centered card on light grey background. JANMITRA logo + tagline. Toggle tabs: Login / Register. Login: mobile + password. Register: name, mobile, select ward (Ward 1-4), password. After login: auto-redirect to citizen portal based on JWT role.

Screen B: Citizen Home

Large 'Report New Issue' button (Primary Blue, full width). Quick stats: My Open Complaints / My Resolved. Recent 3 complaints as cards with StatusBadge and CategoryBadge.

Screen C: Complaint Submission Form

Section	Design
Category	4 large cards in 2x2 grid. Each: icon + name. Tap to select (blue border + tick).
Ward	4 option pills: Ward 1 / Ward 2 / Ward 3 / Ward 4. Pre-selected if citizen is already in a ward.
Description	Large textarea. Min 20 chars. Live counter. Red border if too short.
Photos	Upload 1-3 photos. 'Verifying...' spinner per photo. Red error if fake detected.
Location	Leaflet map auto-centred on GPS. Draggable blue pin. Address text below.
Submit	Full-width Primary Blue button. Sticky at screen bottom on mobile.

WARN	If a photo fails fake detection: red alert box: 'This image cannot be verified. Please upload a real photo taken with your camera.' Photo removed. Citizen must replace it.

Screen D: My Complaints List

Filter tabs: All / Open / In-Progress / Resolved. Each complaint card: CategoryBadge (coloured), PriorityBadge, StatusBadge, ward name, date, complaint ID.

Screen E: Complaint Detail + Timeline

Status timeline stepper: Submitted > Validated > Assigned > In-Progress > Work Done > Closed. Complaint photos gallery. When status = Work Done: show proof photos + Accept/Reject buttons. Accept: star rating. Reject: reason text.

2.2 Worker Portal

NOTE Workers see ONLY complaints from their assigned department AND their assigned ward. This filtering is enforced on the backend API.

Screen A: Worker Task List

Element	Design
Sorting	Critical (red border) first, then High, Medium, Low
Each card	Category icon, Ward badge, PriorityBadge, StatusBadge, complaint ID, date
Tabs	Active Tasks / Completed Tasks
Empty state	Checkmark icon: 'No pending tasks in your ward.'

Screen B: Worker Task Detail

Section	Content
Header	Priority badge, category, ward, complaint ID
Photos	Citizen's complaint photos (scrollable gallery)
Details	Description, submission date/time
Map	Leaflet map with red complaint pin. 'Open in Maps' link for navigation.
Actions	If Assigned: 'Accept Task' -> In-Progress. If In-Progress: upload proof + 'Mark Done' (disabled until proof uploaded).

2.3 Department Officer Portal

NOTE Dept. Officer sees ONLY their department's data. The department filter is permanent and cannot be removed.

Screen A: Department Dashboard

Widget	Details
Header banner	Shows department name (e.g. 'Public Works Department Dashboard')
KPI Cards (row of 5)	Total / Pending / In-Progress / Resolved / Rejected (coloured borders)
Avg Resolution Time	Single metric card: '3.2 days average'
Ward-wise Bar Chart	X = Ward 1-4, Y = complaint count. Colour-coded by status.
Severity Pie Chart	Critical/High/Medium/Low distribution for this dept.
Complaint Trend	Line chart: complaints per day/week over last 30 days
Worker Workload Table	Worker name, active tasks, completed this week, avg resolution time
High-Priority List	Table: Critical+High complaints, status, days open, assigned worker
Pending Validation	AI low-confidence complaints needing manual review
Filters	Date range, Ward (1-4), Status, Priority/Severity

Screen B: Complaint Assignment

Step	What Officer Sees
1. Open complaint	Full detail: category, ward, description, photos, AI confidence score

2. Assign worker	Dropdown showing only workers: same dept + same ward. Count shown: e.g. '3 workers available in Ward 2'
3. If none available	Yellow warning: 'No workers available for this department and ward. Contact admin.'
4. Admin override	Admin sees all workers. Override checkbox + mandatory reason text field.

2.4 Admin Portal

Admin sees all departments. Sidebar navigation to switch between departments or view cross-dept comparison.

Admin Feature	Description
Cross-dept Dashboard	All 4 departments side by side: KPI cards for each, overall totals
Worker Management	List all workers. Filter by dept + ward. Edit worker details, reassign ward/dept.
Worker Registration	Add new worker: select dept, select ward, fill details. System validates combination.
Override Assignment	Assign worker to complaint regardless of ward. Must enter reason. Recorded in audit.
Category Management	View 4 categories and department mappings (read-only -- no changes allowed)
Ward Management	View 4 wards (read-only in this version)
System Reports	Export complaints by dept/ward/date/status as CSV/PDF

3. Responsive Design

Width	Mode	Layout Changes
< 640px (mobile)	Single column	All elements stack. Full-width buttons. Bottom tab navigation.
640-1024px (tablet)	Two columns	Cards in 2-col grid. Side panels. Top navigation bar.
> 1024px (desktop)	Multi-column	Persistent left sidebar. Wide tables. Dashboard charts 2-col.

Citizen and Worker portals: mobile-first. Department Officer and Admin portals: desktop-first.
